Photo Submissions

Update for RMSS 2025!

As we did last year, we will be collecting and displaying photos for viewing from RMSS attendees in lieu of the photo contests of past years. We feel this will allow all of your photos to be equally displayed and enjoyed by the RMSS attendees.

Suggested Photo Categories

Feel free to submit photos of any subject. Below are categories used in previous photo contests for reference.

1. Nighttime Sky – Astrophotography, nightscapes, etc.
2. Daytime Sky – Sunrise, sunset, weather, etc.
3. People – People having fun at RMSS, camp life, kids, etc.
4. Natives of the property - Bugs, reptiles, etc.

Guidelines for Photo Submission

1. Please limit your photos to a reasonable number in consideration of others wishing to display their photos.
2. Photos must be the original work of the photographer and taken during RMSS 2025.

Photo Submission Procedure

1. Photos must be in .jpg format and with a reasonable file size. Submit your photos via email to: photos2025@rmss.org. Include in your email your name and phone number.
